MAR THOMA PUBLIC SCHOOL MOBILE APP

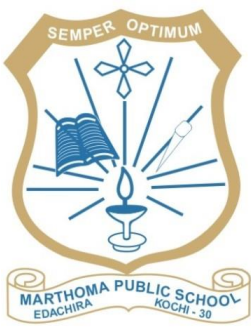

[Download App and see your Mark sheet of Unit Test]

We are delighted to inform you that Mar Thoma Public School has launched Mar Thoma Public School Mobile App with the help of EDUPRO in Google Play store. By launching School Mobile app, we have completely implemented an efficient online digital classroom for students during pandemic. So I kindly request all parents to download School App from Google Play Store and I advice all students and parents to access the features of Mar Thoma Public School Mobile App. Following are the features and services provided by Mobile App for your online digital classroom.

1. **School Circular** : Get all the circulars from Manager and Principal
2. **Office Message** : You can communicate with the school
3. **Ask Your Teacher**: Student can communicate with the teacher
4. **Attendance** : Monthly attendance of students will be shown
5. **Marks** : All Exam results will be published here
6. **Fees** : Easy way to pay your school fee online
7. **Time Table** : Student's time table will be displayed
8. **Class Note** : Access classes provided by your teacher
9. **Homework** : See the homework assigned for you by the teacher.
10. Other functions
 - **Upload Homework** : You can upload your homework here.
 - **Personal Message**: Teachers' messages for you will be displayed here.
 - **Profile** (Update by yourself by uploading images of student and parents in **Settings**)
 - **Events**: List of school related events
 - **Calendar** : School Calendar with events
 - **Holidays** : List of school holidays
 - **ID Cards**: Digital Student ID and Parent ID can be printed from here.
 - **Downloads** : All downloadable files related to office
 - **Settings** : Here you can update your profile.
 - **Others**

All parents and students are requested to update your profile with photos before 15.09.2020. Kindly fill valid data with utmost care.

Note: Whenever there is any features add in Mobile app from the School, you need to update the app in your smart phone to get all features.

Ref No. : MTPS/Circular/3/sep20

Date: 17/09/2020

Dear Parents,

Greetings from Mar Thoma Public School!!

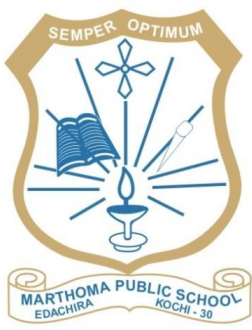

I hope that all of you have enjoyed Onam. Now we all are adjusted to the new challenges of Covid 19. I believe that all of you have received mark sheet of First unit Test in your School App. I request everyone to kindly update your profile by going to SETTINGS in mobile App. Parents and students are requested to strictly follow instructions while filling details and uploading photographs. Photos uploaded will be used to generate student and parent IDs. Student's photo should be in school uniform. Only passport size photographs with single colour background are accepted. Those who haven't updated, please upload at the earliest so that we can keep the system in tune.

I would like to inform you about some of the latest initiatives and concerns of Mar Thoma Public School.

1. Mar Thoma Public School App for Android Users

Mar Thoma Public School has launched Mar Thoma Public School Mobile App for Android users with the help of EDUPRO in Google Play store. By launching School Mobile app, we have completely implemented an efficient online digital classroom for students during the pandemic. So I kindly request all parents to download School App from Google Play Store and I advise all students and parents to access the features of Mar Thoma Public School Mobile App. Following are the features and services provided by Mobile App for your online digital classroom.

1. **School Circular** : Get all the circulars from the Manager and the Principal
2. **Office Message** : You can communicate with the school
3. **Ask Your Teacher**: Students can communicate with the teachers
4. **Attendance** : Monthly attendance of students will be shown
5. **Marks** : All Exam results will be published here
6. **Fees** : Easy way to pay your school fee online (Online fee payment will be enabled soon)
7. **Time Table** : Student's time table will be displayed
8. **Class Note** : Access classes provided by your teacher
9. **Homework** : See the homework assigned for you by the teacher.
10. Other functions
 - **Upload Homework** : You can upload your homework here.

MAR THOMA PUBLIC SCHOOL

- **Settings :** Here you can update your profile.
- **Others**

All parents and students are requested to update your profile with photos before 30th September 2020 (passport size with single colour background and students should be in school uniform). Kindly fill valid data with utmost care.

Note: Whenever there is any update of features in Mobile app, you need to update the app in your smart phone to get all features.

2. School Fee

I am really happy about parents who sincerely cooperated with the school by paying fee on time. Above 91% of you parents have deposited fees on time and hopefully, the rest of the parents also will deposit without much delay. Few parents have some problems related to the fee payment and they are raising so many questions. Comparing with other school's fees, our school fees are moderate. In order to clear the doubts of everybody, I would like to bring to your kind notice that the school also faces a lot of financial crises as you all face now. By giving discount in fee payment, the school has a deficit of 36 Lacs and now we have taken a bank loan of 45 Lacs to pay the salary as well as the other expenses.

Some parents wrote that since the school is closed, there is no expense of electricity etc. I would like to draw your attention to the extra expenses met by school to convert our class rooms as online live classes. We have spent 48 Lacs for converting 21 class rooms into interactive smart class rooms for online live classes. All 44 class rooms are open in all working days from 8 am to 3pm in which 21 classes are used for live classes and other 23 classes are used for offline recorded classes. And office is also functioning from 9am to evening in all working days. Some parents want to know why we charge library fee as they don't access library now. The library is open in all working days from 9am to 3pm and you are free to come and collect books from Library and at the same time we are not charging anything extra for online classes. So I request all parents to understand the situation and deposit the second term fee at the earliest. If you find any difficulty to pay second term fee lump sum, you can pay the fees monthly in equal

MAR THOMA PUBLIC SCHOOL

(Managed by the Mar Thoma Educational Society)

Affiliated to CBSE, Delhi, Affiliation No. 930073

An IS/ISO 9001 - 2015 Certified Institution

installments before 15th of every month. If you opt for this kindly contact our account section of office for the mode of payment. I am proud of parents who are keen to deposit the fee on time. Special thanks to such parents who are concerned about the wellbeing of the institution. Let us understand each other and work together for smooth functioning of the institution during this Covid19 pandemic.

Parents are requested to pay the fee online through Federal bank EFF system. The ONLINE PAYMENT is provided in our school app under the Fees section.

3. Admission For KG 2021-22

We are glad to inform you that we have started our Kindergarten admissions for the next academic year 2021-22. A few more seats are available and if you wish to get your child to be admitted in Kindergarten, you are requested to apply online before 30th September 2020. Kindly visit School website and select admission to send an enquiry form. Kindly fill form and submit, so that we can schedule your interviews at the earliest.

4. Ongoing Programmes

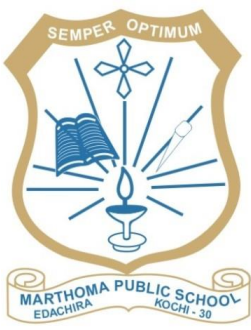

- i) During Onam, we have conducted inter house cultural and arts competitions for all students and the results are sent through EDUPRO.
- ii) Online Yoga classes started from this Monday and I hope you have received the timetable for the same.
- iii) Counseling Classes: Counseling classes are being arranged for classes 9 to 12 by our counselor, Dr. Annamma Abraham and recorded counseling videos will be sent to classes 9 to 12. And we will be sharing counseling session for the parents in the form of recorded video.

5. English Lab & Tinkering Lab

To improve the efficiency of English communication, we have decided to establish an English Lab and the installation work is in progress. Since the new education policy insists on skill development, we are planning to start the Tinkering/Robotics Lab and its inception is also in progress.

Conclusion

Dear students and parents, Covid 19 taught us to resort to an alternative from what we practice. We need to walk beyond the covers of text books in our quest for knowledge. We should feel happy when we learn something new. Science tells us new things work, and history teaches us

MAR THOMA PUBLIC SCHOOL

An IS/ISO 9001 - 2015 Certified Institution

not to repeat the mistakes of past. If we can change our perceptions of learning from passing examination to such wider magnitude and love to learn in all situations by what we are learning, exam results will be automatically good. Marks and results will soar, learning will not cause stress and make us run away from books. It is true that everybody cannot be interested in everything, but given the nature of our education system, you need to have some basic competency in all subjects so that your overall performance will not suffer. Let us walk with confidence and enrich our knowledge.

Yours sincerely,

Very Rev. Dr. C. A. Varghese,
Manager, Mar Thoma Public School
Kakkanad, Cochin-30

MTPS/005/2020-21

15/10/2020

Dear Parents,

Hope you and your children are well adjusted to the present schedule of online classes. We understand the challenges for teachers and parents to monitor the live classes of students especially for working parents. To make the teaching learning process more effective we are forced to make certain rules compulsory for attending the live classes by students. Please make sure that the rules are observed by your child positively. Students not following these rules are not allowed to attend the live sessions henceforth.

1. Students should join each class 5 minutes before the scheduled time. However They will not be admitted 5 minutes after the scheduled time. If there is a wifi or internet connection problem, students need to intimate the respective teacher before time.
2. No chatting between students during live sessions. The content in the chat is being recorded.
3. Students to login using their own names. Google profile photo should be their own photo or the first letter of their name.
4. Video should be switched on from the time of joining the live session.

We also recommend that the parents be selective about what students watch, limit their own technology use and create a quality time for family interaction so that our students get an emotional support during this time of stress and anxiety.

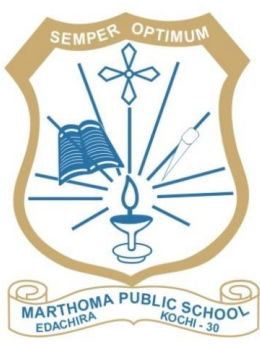

Be careful ; Be safe; Be happy !

Spend time with your loved ones.

Expecting your whole hearted support.

MTPS/Circular/7-1/2020

04.12.2020

Dear parents, teachers and students

Seasonal Greetings to all!!

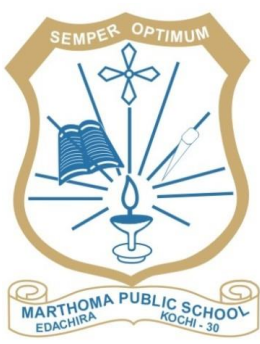

“For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.” ~ John 3:16

It reveals the availability of God in Christ for me as well as for others. Christmas became a reality by God’s selection of people to fulfill His mission like Mary, Joseph etc. Please notice that He never recommends any favour to anybody, but He creates confidence to take up the challenges to fulfill His mission. Even if God has selected Mary, he has not given any identity to show that she must be considered in the VIP list. Only Mary had one id “I AM THY SERVANT”. For Mary, the strip of cloth and the manger are the possibilities provided to take up the challenge. If it was inside the inn, it was not possible to have the encounter between the rich and the poor shepherd. To witness the light of this world, in the manger everything was open. So the message for Christmas is that God needs each one of us to fulfill His mission, but he will not recommend for anything. But definitely He will give courage to take up the challenges. The present Covid situation is an example for the same.

We are coming to the end of 2020. 2020 started with Covid-19 pandemic and still we are struggling with the same problem. And now all of us have accepted it as challenge and all got trained to carry out our life with this. Children as well as parents and teachers are trained to cope up with the online classes. We learned how to be active without physical presence. I would like to bring the following matters to your kind notice along with a list of school activities.

I congratulate all our teachers who have taken the efforts to make the online classes to be perfect. It may not be 100%, but we were able to do the best. The interaction with parents reveals the facts. Especially I am thankful to the teachers of Higher classes for completing the portions on time and getting ready for the conduct of Model Examinations. Hope you have received the time table for the model examinations from the principal.

Dear Parents and my dear students, the purpose of Model Examination is not to give you promotions but to develop confidence and courage to appear in the upcoming Board examination without any fear. This time as usual there will be no invigilators to observe you, since we are conducting it online. My dear students, you are the invigilator of yourself. So please write the examination with sincerity and devotion and after finishing examination everyday send the answer sheets by making it as a pdf file. The Principal will give further directions regarding this matter.

1. First Term & Second Term School Fees

I have sent so many circulars and class teachers personally contacted you and requested you to deposit the first term as well as the second term fees and you promised that you will be paying the same before December 2020. As per the information received from the account section, you have not paid first term and second term fees till today

I request you to kindly pay the fees without any delay. As per Honorable High court verdict dated 11.11.2020, it is compulsory for all the parents to pay the full first term fee within 14 days from the date of this order. The court order WPCNo 19181/2020 states

“Therefore, since the second term is nearing completion in all the schools I direct the petitioners in these cases and all other students/parents who are similarly situated, to pay the full amount of the first term as demanded by the schools”

“The petitioners and other parents, of course, have to keep in mind that they have chosen the schools in question voluntarily, knowing fully well that they have to pay higher fees than the Government schools or such other, and therefore, cannot use the excuse of a pending litigation to avoid payment of reasonable and legally enforceable fees.”

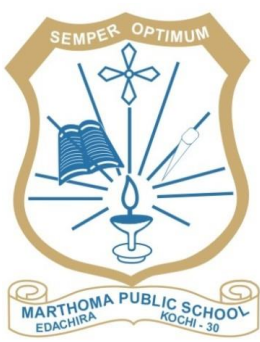

And as per the order, if anybody is motivating or making any group, it is punishable. So as per the order, you are supposed to deposit the fee by 4th Dec 2020. Since the circular is issued from the school today, you are liable to pay the due first term fees on or before 18th December 2020 without any further delay.

As far as our school is concerned, our school is not making any profit and as per the balance sheet the school is liable to pay Rs. 1.5 Crores overdraft which was taken by the school. So in the present situation, we are not in a position to reduce any fee. So I earnestly request parents to deposit the school fee on time instead of inviting trouble at the eleventh hour. If you have already paid kindly ignore the appeal.

2. Activities and Events

a) Literary Competition: We were able to conduct the literary competitions through the online platform and the results were published.

b) KG Inter school competition: KG school participated in the interschool competition organized by Rajagirischool and our students won 2nd and 3rd prizes. I take this opportunity to congratulate all the students who participated and the students who bagged prizes.

MAR THOMA PUBLIC SCHOOL

(Managed by the Mar Thoma Educational Society)

An IS/ISO 9001 - 2015 Certified Institution

c) Fit India School Week -2020: Fit India Movement launched by our Honorable Prime Minister of India is aimed to encourage people to inculcate physical activities and sports in everyday life and daily routine. Fit India school Week which is organized by Fit India was conducted in the school. Physical Education department organized online and offline sessions for the students based on the criteria given by CBSE. There were various activities conducted during Fit India school week like Essay/Poem writing, poster making, quiz competition etc.

d) India's Future Tycoons: School has motivated students to participate in a national level competition called IFT#3 (India's Future Tycoons Season 3). India's Future Tycoons is a platform that offers an opportunity to students who are 13 to 17 years of age and have change driving ideas, to kick-start an entrepreneurship venture. IFT # Season 3 invites young adults across the globe to identify opportunities, innovate and create solutions that can potentially transform the current school education landscape. As a first step towards this venture, Science Department of the school has requested the selected students of Class 9 and 11 to submit their innovative ideas based on the theme "Education Redefined". Students are requested to submit their ideas to school. Selected ideas will be sent for the competition.

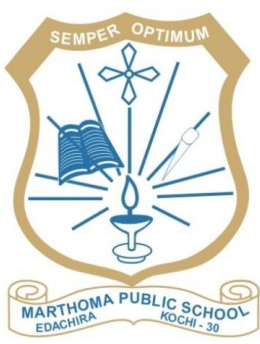

e) Interschool competition by Marthoma Kindergarten: Interschool competition for K.G. students is organized by Mar Thoma Kindergarten. The last date for registration is 5th December. 10 Schools have already registered their children's names for competition

f) Celebrations: Teachers and students celebrated Onam, Deewali and Children's day in a very colourful and meaningful way. I appreciate all children and teachers for their efforts.

3) Future plans for the school: 2021-22: We wanted to make our school a digital school with the following programmes

i) Tinkering/Robotics Lab: We are happy to inform you that Mar Thoma Public School introduces Robotics classes as part of School Tinkering Lab in collaboration with Core Champ Technologies, New Delhi. Robotic classes will be started for the interested students of Class 6-9 & 11 from the first week of January 2021. Following are the details about Robotics classes for the academic year 2020-21.

- a. Robotics classes for the students of class 6 to 9 & 11 are provided free of cost by the school during this academic year.
- b. There is a registration fee of ₹ 250/- for this academic year.
- c. Free access to the Online Learning Management System of Core champ Technologies which includes Beginner's Course, Develop app and Web, Hardware course, 3D Beginning Course and Advance course. All Students will get 24x7 free online access to all contents, video tutorials and activities.

MAR THOMA PUBLIC SCHOOL

(Managed by the Mar Thoma Educational Society)
Affiliated to CBSE, Delhi, Affiliation No. 930073

An IS/ISO 9001 - 2015 Certified Institution

- d. Students can Learn, program and experiment with Arduino Robotics and co-relate the same with the school curriculum.
- e. All classes are based on activities and practical sessions. A laptop or desktop with internet connection is required. Online practical sessions will be conducted through Tinkercad - open simulation software.
- f. Robotics classes will be evaluated on the basis of the submission of assignments and projects.
- g. One to one online mentoring support to students from School and Core Champ.
- h. Course certificates will be provided after completing each course.
- i. Robotic Kits are not mandatory. Interested students can buy the kits at discount rate from Core Champ using School Code.

ii) Digi Library: As part of the 'Digital India Movement', the Marthoma Public School Kakkanad is going to convert our school library into a digital library with the help of SEGDC. Under this project all our library books will be stored as e-books and access will be given to the students. All new books will be transformed to e-books with high end equipments at school itself. School is going to enter into a contract agreement with SEGDC for the establishment of digi-library.

iii) Foreign Language Courses: The labs are getting ready to start functioning from June. We are starting foreign language classes for French, German and English. The classes will be from 3 pm onwards. Students who are interested can join the course.

iv) Hostel Facility for the Girls: Mar Thoma Educational Society provides hostel facility for the Business school. Already girls have enrolled for the same and in the next academic session onwards there will be hostel facility for the school girl students.

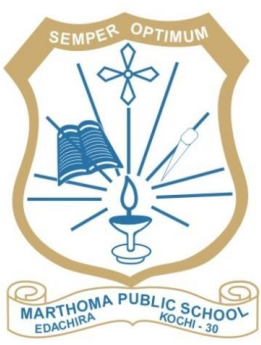

❖ The Christmas Vacation is from December 23rd 2020 to January 3rd 2021

Once again, I wish all students, teachers and parents Happy Christmas and Happy New Year. Kindly go through all these and respond positively to all the requests made.

Yours Sincerely,

Very Rev. Dr. C A Varghese,
President, Mar Thom Public School,
Kakkanad, Cochin 682030

MTPS/Circular/9/2020

22.12.2020

Dear Parents and students of classes 10 & 12,

A very good day to all of you.

We wish you **A Merry Christmas and A Happy New Year**. Christmas gives the message that God in Christ is with us.

As per the circular given by Kerala Govt., We are planning to start regular classes for class X & XII in School campus from January 4, 2021 onwards by keeping all the covid-19 protocols.

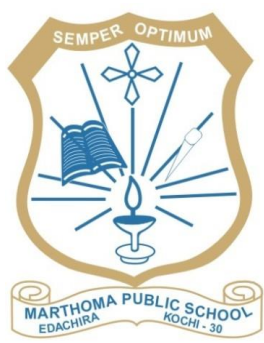

I wish to bring the following matters to your notice.

- During these three months the students will be having model examinations, practical classes and revision. Hence I request all the students to make it compulsory to attend the classes regularly without absenting. We are planning to start the second Model exam arranged by Sahodaya Group of CBSE Schools from January 4th Onwards. I hope the principal has already intimated you the details of the exams.
- Our main idea is always minimisation of risk to children, family and staff, hence it is advisable to arrange your own to and fro transportation for your child to school.
- If otherwise you want transportation to be arranged by the school, the parents are requested to send a consent letter **by 29th of December 2020** and deposit ₹ 6000/- fee in advance to avail school transportation facility for three months. Herewith we are sending the bus pick-up and drop points, if these points are meeting your requirement and need you can send your consent with the payment details.
- The payment is a Lump sum amount of ₹ 6000/- and irrespective of the distance travelled. Once we get the consent we will send you the pick-up timing and other details required.
- Also please be noted that it is mandatory for all students to pay all due and balance fees for the academic session 2020-21 in full by **January 5th 2021**.

Yours Sincerely,

Very Rev. Dr. C A Varghese,
President, Mar Thom Public School,
Kakkanad, Cochin 682030

MTPS/Circular/10/2020

20.01.2021

Dear students and parents,

Wish you a Happy and Prosperous New Year.

The year 2020 started with the pandemic threat of Covid-19. We are happy to see that 2021 provides hope. Because our scientists were able to find out vaccines for Covid-19, hope this will help us to have a fruitful 2021. Anyway, Covid-19 helped us to be able to understand the difference between the necessity and wants. You were able to find out a new meaning for SMS.

S- Social Distancing helped us to be helpful for us and for others.

M- Learned the importance of wearing mask and

S- Screening of Social Media.

So These are the three things helped us to be self protective and protect others.

We are happy to inform you that we have started the classes for Standard 10 & 12. We are conducting the classes by following all Covid-19 protocols. I request the students as well as the parents and teachers to bring home to them the importance of discipline while students are attending the class from January 20th onwards. Self discipline is the best discipline. Children, if you discipline yourselves, then you will be able to discipline others. From January 20th onwards, there will be practical, revision classes as well as model examination. I request the students to take it seriously. This year, you got plenty of time for the preparation of exam. So use it meaningfully. The principal will give you detailed time table for the classes as well as for the examinations.

➤ **Online live classes**

Online live classes started for standard III and IV from 18/1/2021 and the online live classes of Standard I and II will start from February 1 onwards. Principal will give you the detailed time table. The evaluation of K.G. classes and annual examination of classes I to IX & XI will be conducted after March 15th, 2021.

➤ **Payment of School Fee**

During this academic session, I have sent so many circulars and the class teachers personally requested you to pay the fees and I am thankful to the parents who are promptly responding to our requests and have paid the full fees for the year 2020-21. Those who have not paid the fee from KG to standard 12 are requested to clear the remittance of school fee by Feb 15 without further notice. To the best of our knowledge, the Govt. or even the court is not going to give any directions for the reduction of fees. Also please note that Kerala High Court have given a stay order on the Child Rights Commission order for 25% discount in the fee payment.

MAR THOMA PUBLIC SCHOOL

(Managed by the Mar Thoma Educational Society)

Affiliated to CBSE, Delhi, Affiliation No. 930073

An IS/ISO 9001 - 2015 Certified Institution

So I request all parents to pay the fee by Feb 15th, 2021. After 15th of February, we will make a list of defaulters and we will request the parents to collect the TC. This will help us to see the actual student strength and on that basis we can reduce staff strength to face the financial burden of the institution. Once again I wish to quote the last high court order

“The petitioners and other parents, of course, have to keep in mind that they have chosen the schools in question voluntarily, knowing fully well that they have to pay higher fees than the Government schools or such other, and therefore, cannot use the excuse of a pending litigation to avoid payment of reasonable and legally enforceable fees.”

So if you are interested to continue the education of the student in this institution, you are requested to kindly pay the fees instead of comparing with other schools. We have our own limitations and on that basis, we have made the fees structure. In my last circular, I have intimated you the financial crisis of the school. Next year, there will be additional expense of the school such as sanitization of the school everyday, etc.

➤ New Events Started

1. Tinkering/Robotics Lab: We have already started the Robotics classes. For those who wish to join, the details are as follows

- Robotics classes for the students of class 6 to 9 & 11 are provided free of cost by the school during this academic year.
- There is only a registration fee of ₹ 250/- for this academic year.
- We have arranged free access to the Online Learning Management System of Core champ Technologies which includes Beginner's Course, Develop app and Web, Hardware course, 3D Beginning Course and Advance course. All Students will get 24x7 free online access to all contents, video tutorials and activities.
- Students can Learn, program and experiment with Arduino Robotics and co-relate the same with the school curriculum.
- All classes are based on activities and practical sessions. A laptop or desktop with internet connection is required. Online practical sessions will be conducted through Tinkercad—an open online simulator.
- Robotics classes will be evaluated on the basis of the submission of assignments and projects.
- One on one online mentoring support to students from School and Core Champ.
- Course certificates will be provided after completing each course.
- Robotic Kits are not mandatory. Interested students can buy the kits at discount rate from Core Champ using School Code.

2. Digital Library: Already we have completed digitalization of 5000 library books and students can avail the facility of online library from April 2021 onwards.

MAR THOMA PUBLIC SCHOOL

(Managed by the Mar Thoma Educational Society)

Affiliated to CBSE, Delhi, Affiliation No. 930073

An IS/ISO 9001 - 2015 Certified Institution

3. Foreign Language classes: We have finished the installation of computers and other equipments. The labs are getting ready to start functioning from June. We are starting foreign language classes for French, German and English. The classes will be from 3 pm onwards. Students who are interested can join the course.

4. Hostel Facility for the Girls: Mar Thoma Educational Society provides hostel facility for the Business school. Already girls have enrolled for the same and in the next academic session onwards there will be hostel facility for the school girl students of class VI onwards.

5. Admission 2021-22: Admission to KG classes at Mar Thoma Public School Kakkanad is more or less over. A few more seats are there. Those who wish to get admission, you must directly contact Admission in-charge Mrs. SijyMammen7025259720 or visit school website for details - www.marthomapublicschool.edu.in

6. KG & Day care center at Vyttila: This year we are planning to have KG classes as well as Day Boarding Center at Vyttila. Admissions have already started. Please contact 7025259707 or visit www.marthomapublicschool.edu.in/kindergarten

7. Voice Your Thoughts: Education Competition for School Students: The aim of this competition is to help the students develop effective communication techniques and oratory skills. The competition will be held under 5 categories. The topics, time limit and other details are attached with this circular. I request all parents and teachers to encourage students to participate in this competition.

ACHIEVEMENTS

National Education Policy(NEP) 2020 Quiz: CEIR conducted a quiz competition based on NEP 2020 and one of our teachers, Mrs. Maria Catherine Mathew participated in that competition. I am proud to announce that she got 87.5% in the national level and has received certificate of exemplary achievement for securing meritorious position in NEP 2020 Quiz.

IFT#3 (India's Future Tycoons): As it is mentioned, we have started Tinkering Lab, Under tinkering Lab, two teams registered for a national level competition called India's Future Tycoons (IFT). From 596 schools 7300 students participated in the competition. IFT has selected 400 teams in the zonal for boot camp, we are so happy to share the achievement that all registered teams from our school are selected. Our school is one of the three schools selected from Kerala. We consider it as a great achievement since we are participating in it for the first time and special appreciation to Mr. Jithin Lawrence, Tinkering Lab-in Charge and Mrs. Maria Catherine for motivating the students. Following are the students who selected

1. Heaba Sara Alexander
2. Nidhi Elza
3. John J Karian
4. Ryan Binoy

WIZKIDS Competition: 21 students reached to semifinal and 7 students are selected for finals at the national level from our school and special appreciation to Mrs. Pamela Sara John, Director of Training and Evaluation and co-ordinators Mrs. Ayswarya, Mrs. Manju and Mrs. Sneha Oommen.

An IS/ISO 9001 - 2015 Certified Institution

Covid helped us to be inside the room and the environment inside the room helped us to understand 7 steps to success.

- # Roof says aim high
- # Fan says be cool
- # Clock says every second is precious
- # Mirror says reflect before you act
- # Window says see the surroundings and the world
- # Calender says be up to date
- # Door says push hard to achieve your goal.

So let the environment in the room during this Covid time helps us to be a successful person in the coming days.

Yours Sincerely,

Very Rev. Dr. C A Varghese,
President, Mar Thom Public School,
Kakkanad, Cochin 682030

MTPS/Circular/12/2020-21

10.03.2021

Dear Parents and Students,

Hope all of you have received the timetable for the Annual Assessment from your principal. I request all the students to appear for the online assessment test seriously. ***Whether you have paid the fees or not, we request you to kindly attend the assessment test.***

I am thankful to all parents who deposited the fees even if you had difficulties due to Covid-19. Even though we had financial crises and took loans and overdraft of 1.5 Crores, we are proud to announce that we have given the full salary to the teaching and non-teaching staff till this month. Most of the parents deposited the fees on time. Those who did not deposit the fees, I hope your class teachers have contacted you over phone. We once again request all parents to deposit the fees before the closure of school on March 31st.

In April, we have summer vacation and the next academic session starts from May as follows.

- i) May 3rd onwards there will be regular classes for Classes 9, 10 & 12
- ii) May 17th onwards, there will be regular classes for Class 8 also
- iii) June 2nd onwards, we have regular classes for KG to Class 12 except class 11

Our plan is to have revision classes during May and June and from July onwards we will start the new academic session. We will publish the promotion list as well as the enrolment list of the students by April 15th, 2021. In the enrolment list, we will include only the names of students who paid their fees for the academic session 2020-21. So those who wish to include your name in the enrolment list for the year 2021-22, are requested to deposit the arrears. Hope and pray that we will have regular classes for the next academic session.

Yours Sincerely,

Very Rev. Dr. C A Varghese,
Director, Mar Thom Public School,
Kakkanad, Cochin 682030
