VACCINATION DRIVE

Dear Parents,

In light of the COVID -19 pandemic continuing to threaten us with other variants, the health department has begun the vaccination drive for children aged between 12 to 14 years. The vaccination for our students will be arranged in our school itself by the Community Health Centre, Kakkanad .

We request you to make use of this opportunity to get your children vaccinated. Please find below the details of the vaccination drive.

- Vaccination charge- Free of cost
- Vaccine available - **Corbevax**
- Date of vaccination drive - will be notified 2 days before.
- Time- 09.30 am onwards

● Important points to be noted (Please read each point carefully)

1. Only Corbevax vaccine is available.
2. Consent from the parent is compulsory before taking vaccination.
3. Students who were affected by Covid-19 should take the vaccine only after 3 months of recovery.
4. Students who have allergic problems and any other serious diseases are strongly recommended to take vaccination from the hospital to avoid any risk.
5. Students who have taken any vaccination should take covid-19 vaccination only after 14 days.
6. Students who have taken vaccine/injection against rabies should take covid-19 vaccination only after a month.

Please return the consent form duly filled and signed by 29/06/2022.

Soliciting your support and cooperation.
